In compliance with the mandates from the state government and Edison school district, everyone is required to follow the COVID-19 protocols. ECS will implement the pre-caution measurements, including body temperature measurement, mandating wearing appropriate face masks, and enforce the social distancing across the school facility. Your cooperation is greatly appreciated. For more details, please refer to the [NJ DOE Plan for Safe Return to In-Person Instruction and Continuity of Services](#).

In summary, the major protocol mandates include:

- Please remain at home if you don't feel well, or have any COVID-19 potential symptoms, i.e., body fever, coughing, sneezing, etc.
- Wearing face masks is required while on school property, even if you are fully vaccinated
- Keep proper social distancing

Edison Chinese School reserves the final right to determine the compliance with COVID-19 protocols, registration status and qualification.
