How Savings Affect Financial Aid

<http://www.collegeboard.com/parents/pay/scholarships-aid/21390.html>

.....The amount you'll be asked to pay for your child's college is based on your family's income and assets. Savings are considered an asset. However, current financial aid formulas only "tax" about five percent of your assets each year. That is, the formulas assume that five percent of your savings are available each year to help pay for college.
